

God

With God's faith,
He created a universe.
Then He decided to have a Son
who will rule the heavens and earth
and everything in them.

Wanting someone to walk
through His promised land
with His blood,
He created each one of us.

All the different nationalities and languages
come from God above.
We had nothing to do with
the color of our skin.

His dream is for each one of us
to return back home to Him,
clapping and praising Him
in Jesus Christ's name,
Amen!

Genesis 1:1

Renewing My Mind

I must understand
that people will always have something to say
about me whether it's positive or negative.

Today,
if someone wants to speak something negative,
I will not get upset,

Because today, I am renewing my mind.

If someone comes to help me,
showing me the right way of doing things,
because for years, I have been doing it wrong,
I will allow myself to accept positive feedback.

Because today, I am renewing my mind.

Oh what a wonderful day.
Knowing I am highly favored
by my Lord and Savior
Jesus Christ.

Because today, I am allowing my mind
to be renewed in Him,
Jesus Christ.
